## **The College**

Maris Stella College, Vijayawada is a Catholic Christian Minority Institution of Higher Education for Women, started on 16<sup>th</sup> July, 1962 with the primary objective of providing higher education for women. It aims at an integral and personalized education of the young. In the context of the emerging global, national and regional concerns Maris Stella strives to enable students to grow into socially aware and responsible citizens

## **The Library**

Maris Stella College has its excellently equipped library housed in a three storeyed building situated in the centre of the campus. It is adequately ventilated and furnished with a congenial academic ambience. It has been identified as the best library in the purview of Acharya Nagarjuna University in 2009. Books of UG and PG sections are arranged in two separate buildings. The library has a collection of more than 92000 books and a good number of National, International and e-journals. It is automated and circulation is done with barcode technology, providing OPAC (Online Public Access Catalogue) LAN, free internet facilities. The library has access to online resources with N-List. Users can access all the e-resources (6000+ e-Journals and 31,35,000 e books)

Well qualified and trained staff interested in the implementation of new technologies contributes to the professional functioning of the library.

## **E-Learning**

Learning through electronic devices is referred as electronic learning (e-learning). With advent of information and communication technology the content is being generated and delivered in electronic form and it is easily accessible to all the stakeholders using different electronic gadgets as well as desktop based application. MOOC's which is one of the sub set of e-Learning have great impact on higher education. AICTE recognizes NPTEL online courses under Faculty Development Programme.

## **Objectives**

The workshop consists of lectures and intensive hands on training by experts in the field concerned. It will provide both theoretical and practical skills to the participants.

At the end of the workshop, participants would be able to:

- get familiarized with e learning concept and its usage
- gain an understanding of MOOC courses and its importance in Higher Education.
- familiarize with NPTEL, SWAYAM

## **Target Participants**

Teaching faculty of all disciplines  
Library & Information professionals
